

**REHEARSAL NOTES – ALEX GUEBERT
BRONZE DIVISION & MASSED**

MASSED

- I plan on taking all tempos as marked in both pieces.
Bound for Australia and **Spiritus Sanctus**
- **Bound for South Australia**
Sing along in the middle section. Sing and ring if you feel comfortable.
High voices to the top staff, low voices to the bottom staff. If you really feel uncomfortable singing, you can just ring, but it's a sea shanty so you don't have to have an amazing voice. :)
Then, in the very last measure of the piece, everyone sing the melody: "Bound for South Australia!" while you ring.
Have fun!

BRONZE

- I plan on taking all tempos as marked in both pieces.
My Strength is From Heaven and **Siorai Athas**
- **My Strength Is From Heaven**
Very freely in the first 8 measures.
I will accel. in m.1 and rit. in m.2.
Then, similar phrase shape in m.3-4. etc.
